THE local ring followers may again Cleveland Batteries have a chance to see Jack Wade and Jack Clifford meet in the ring. ger Osborne of the Salt Lake club s trying hard to make the match and oull it off during the Elks' carnival in and thinks it would be one of he best drawing cards that could be Osborne said yesterday:

"I have been figuring on this match for some time, and today got Clifford's consent to freet the atoritana champion. Ciliford says he will be ready to enter the ring by August, and would be only no glad to give Wade another chance

Clifford, Osborne wrote Wade at utte, Mont, asking if he was willing meet the local man here during ugust. The club manager expects a tter from Wade the latter part of this week in regard to the matter. If he ac-legis, articles of agreement will be drawn up at once for both men to sign.

If the match is arranged it will prove e of the most popular exhibitions er pulled off in the state. Wade and ifford have many friends in the city o are willing to bet their money on outcome of the fight. Wade's ands in Montana think Clifford cannot duplicate his feat of two months ago, and in all probability a large del-egation will come to Salt Lake to witss the go if they get together again.

ors Pistol and Sunshine are olng to get together again in the ring. Their many managers have been worktheir many managers have been working on the match for some time, and
resterday got the two principals to
gree to come together. The date has
been set for a week from today, and
both men have commenced training for
the bout. Jim Francis has been teachthe Pixel the many art for the last ing Piatol the maniy art for the last week on the quiet, and thinks that when he again enters the ring there rill be a different story to tell.

Both Flynn and Graham informed lanager Osborne yesterday that they is to determine the more and the comlams in a contest if they won the comlams hattle on May 13. Williams is contidered one of the best middle weights in the United States, and has a long
list of victories. He has offered to
come to Salt Lake before, but insisted
(that he would only fight winner take) that he would only fight winner take all the purse, and as both Flynn and Graham are willing to meet him on hese terms the match may be made.

The backers of Kid Williams and Young Donovan have not succeeded in getting these two worthles matched yet, although there has been considerable talking done in the last couple of days. Phil Green said yesterday, when asked if he would meet Donovan again: "Tes. sir, at any time, but he must ceme down to my weight." As Green can easily enter the ring at 126 pounds and Donovan will have a hard time to better 130, the chances for a return fight are very far off. fight are very far off

KICK ON DECISION.

Siler Declares Forbes-Regan Contest a Draw.

St. Louis, Mo., May 1 .- The twentyround bout at the West End Athletic club tonight for the bantam weight Intimates That Some One Has Been championship of the world between

championship of the world between Harry Forbes, the present holder of the title, and Johhny Regan of Brooklyn, was declared a draw by Referee Siler. The decision was unpopular, the majority of the large body of spectators being of the opinion that the New Yorker was entitled to the verdict by more than a fair margin.

Jack McKenna, Regan's manager, was so incensed at the ruling that he had to be restrained by the police from doing bodily harm to Referee Siler. Regan put up an excellent fight. His flootwork and blocking and stopping of blows have never been excelled here, and he left the ring fresh and uninjured. Porbes on the other hand, was very wild in his delivery, and throughout the fight failed to land a blow that in any way distressed Regan.

Regan played for the stomach principally, and his well directed blows to that region had Forbes in distress, especially in the closing rounds of the battle.

"Denver and Salt Lake sporting reporters have been hitting the pipe again and have given vent to a spasm to the effect that Cake Newmeyer will ge to the Utah league. This is another bit of interesting news to the local management, as they had heard nothing of their alleged intention to let the south-paw slight. How About This, Chief?

The reports are out that the Salt
Lake team is after Doc Moskimon of
the Oakland team. In this regard, the
following from a San Francisco paper
will be interesting: "Doc Moskimon is
now in bad standing with the Oakland
management and threatens to fump to
Salt Lake unless he is restored. The
reason for this is that the pride of the
Oakland fans attempted to pitch yesterday morning across the bay and
what the Sacramento batters did to
him was a caution. They pounded his

Art Bennett/the ex-Lagoon player, has signed a contract to play on the Rock Island team this year. He received a ticket and advance money from that place yesterday and will leave at once for the Illinois town.

They have no reason for thinking so, for the size of the teams greatly varies. (The Unions weigh from 125 to 139 pounds, while the Franklins are a 35-pound team. The last game played was only 6 to 9 in favor of the Unions, and if the unpire had not made such rank decisions the score would have been different. He has been in the game for fourteen years and during that time has played all over the country. He can boast of a record of having played on fourteen different pennant winning teams, which can probably not be equaled by any other player on the diamond today.
